Dear Mr. Kouyoumdjian:

Housing

The County of Riverside, County of San Bernardino, City of Colton, City of Rialto, and the City of Riverside intend to request re-designation of the **Agua Mansa Recycling Market Development Zone**. The desire to complete a renewal application is representative of a combined effort to address our area's need to increase the local recycling markets through a joint economic development/waste management effort. I have sent resolutions to each of the governing bodies within the zone and am waiting for them to return certified copies of approved resolutions to me. The map is accurate. I will submit to you when completed:
